

COLT OPTICS

TECH DATA SHEET

C3X MAGNIFIER

The C3X Magnifier is a duty-grade 3× optical magnifier engineered to extend the effective range of red dot and holographic weapon sights. It delivers rapid transition between magnified and unmagnified viewing while maintaining optical clarity and zero integrity under recoil.

3× Magnification For Enhanced Target Identification

Compact, Lightweight Design

Flip-To-Side Mount For Rapid Transition

MIL-STD-1913 Picatinny Compatible

Maintains Zero Integrity

Left Or Right Side Stow Configuration

MAGNIFICATION: 3x

OPTICAL CONFIGURATION: Afocal Magnifier

FIELD OF VIEW: ~7.5°

EYE RELIEF: 75–85 mm

OPTICAL CENTERLINE: 1.54"

MOUNT INTERFACE: MIL-STD-1913 Picatinny

MOUNT TYPE: Flip-to-Side, Crossbolt

MOUNT TORQUE: 45 in-lb

TOOL INTERFACE: ½" socket head nut

ENVIRONMENTAL RATING: IP68 (1 m / 30 min)

DURABILITY STANDARD: MIL-STD-810H

OPERATING TEMPERATURE: -40°F to +140°F

WEIGHT: ~175 g
